DISCLAIMER: The data depicted in the Wilson County GIS was prepared solely for the purpose of inventory and representation of the Wilson County Districts and Cadastre and its source documents and should not be used for any other purpose. The information contained herein was compiled from previously georeferenced data and/or public records, and these primary sources must be consulted for verification of the information contained in this map. This GIS data is not intended to indicate the authoritative location of property boundaries, shape or contour of the earth, or fixed works. GIS maps are not surveys and do not meet the minimum accuracy standards of a Land Information System/Geographic Information System Survey in North Carolina (21 NCAC 56.1608). The source data for taxation is provided by the Wilson County Tax Department, and is prepared for the inventory of

real property found within its jurisdiction and is compiled from recorded deeds, plats, and other public records and data. Assessed value of real property is based on market value as defined in the Machinery Act of North Carolina (Section 105-283). The year of the latest appraisal of value was 2016. Users of this dataset are hereby notified that the authoritative information sources should be consulted for more information about the source data. Wilson County GIS assumes no legal responsibility for information contained data presented on this website. \*\*\*Please Note\*\*\* Wilson County GIS will be ending support of the Wilson County Connect GIS site on December 31, 2019. Please update all bookmarks and shortcuts to this site prior to that date.
